Dear Families,

Another week is here before us! Schools are such busy places and our school is no exception. Teachers are working very hard to put into place effective learning and teaching in their classrooms. An important part of this is a strong focus on student wellbeing and the Zones of Regulation, which are designed for optimal learning as well as helping our students to regulate their own emotions. You may have heard your own children talk about them- the red, green, yellow and blue zones. Ask your children to share their learning with you, and as always if you have any questions please ask your child's class teacher.

***LOVE AND MERCY – WHERE TWO OR THREE GATHER IN MY NAME, THERE I AM.***

Year 1 and 2 classes continue their swimming program this week. 1/2L, 1/2M and 1/2N will swim every day from Monday to Thursday this week. Please help them to remember their swimming bag each day and to remind them about how to dress themselves afterwards and to look after their belongings. Write their name on everything to avoid things going missing!

In preparation for Holy Week, we will have a Whole School Liturgy where students from Prep-Year 6 will re-enact the Stations of the Cross on Friday April 5<sup>th</sup> at 9.30 in the Hall. This is our last day of school for students. **Students will be dismissed on this day at 1.30pm.**
