REMINDER : SUNSMART POLICY TERM 4 – NO SCHOOL HAT, NO PLAY

21st October, 2019

Catholic Mission Week is being recognised this week. Let us remember those who live in poverty, those who have no clean drinking water, and will die at an early age. May our prayer be that our we can be generous in supporting projects to supply fresh water wells for clean drinking water, for seeds to plant crops, and for good education programs.

Award Winner : On Friday evening Teresa and I attended the 2019 Outstanding Learning Environments Awards. Our STEAM Centre had been entered into the category of Building or Renovation / Modernisation under \$2M. **St Dominic's** was announced **WINNER** in our category. Congratulations to all involved over the journey - Staff who shared the dream of a STEAM space so that a submission could be submitted for funding; Teresa and the hours of paperwork done over the time; our architects MINX - Jane; Builders; Staff ideas for furnishing; and Staff and Students who worked with Vince and Gary on the garden design and its development. Our STEAM room and Dadirri space is for all to share in. It's utilisation is paramount as we move forward. In the coming weeks others may be visiting our space to see what is possible.

Crazy Hair Day for Social Justice at St. Dominic's!

All students and staff are invited to wear their hair in a 'crazy' style on this Friday October 25th and bring a gold coin to be donated to Catholic Mission who work to support poor and impoverished communities throughout the world. Students can colour their hair if they like and wear casual clothes! Here are some ideas for you 😊

From Miss Gayle and the staff of St. Dominic's.
