18th November, 2019

Dear Families,

It is with a heavy heart that I wish to let you know that after much prayer and reflection I have decided to finish my time at St. Dominic's. Having been 14 years here at St. Dominic's, I believe that God is inviting me to journey new paths. I will officially complete my time at St. Dominic's at the end of term 2 next year, taking terms 1 and 2 as long service leave. I am still very much a part of planning for 2020, and you will see me around at different times in terms 1 and 2. Fr Peter is happy to appoint Ms Bretag as Acting Principal before the position is formally advertised sometime in the new year, and I know that you will continue to give Alison your full support. We will keep you informed of the process undertaken to appoint a Principal. There comes a time for us all to slow down a little and spend time with family, and this is what I hope to do. St. Dominic's is in a really good place and in good hands. We have a great staff who continue to have the children at the centre, resources to enable positive learning experiences for all, families who are supportive and want the best for their children, but most of all, we have the most beautiful children who are happy, trusting, friendly and want to learn. They are our future. Our school community is welcoming, and it has been such a privilege to be with each one of you. My life has been enriched by what we have shared together. It is not goodbye...it is the beginning of something new, and God has each one of us embraced in loving arms.
