Principal's News

Welcome to a new week. We are certainly living in unprecedented times here in Australia due to COVID-19 (corona virus) It is important to maintain a sense of calm especially around the children as they copy and mimic the adults around them. Canceling public events is one way of trying to stop the virus from spreading. It is also very important to remind everyone to wash their hands with soap and to cough and sneeze into your elbow. We are receiving information from the Catholic Education Commission of Victoria (CECV) on a daily basis and I will share this information with the community accordingly. Schools may close- we have to trust and have faith that our country's leaders will make the right decision.

Sunday's gospel told us the story of Jesus and a woman at the well who came to draw water by herself. Jesus deeply engaged with the woman and it struck me that there are times where we are all feel isolated from others.

Our prayer for the week: "In whatever physical distancing we are experiencing in these days ahead, may we be that willing to find other ways to be present and to engage with each other."

With thanks- Alison Acting Principal.
