St. Dominic's School promotes the safety, wellbeing and inclusion of all children.

Principal's News April 27th 2020

Welcome to a new week! Staff and students are certainly very busy working to prepare and complete remote learning tasks and I thank those parents who are doing their best to help their children.

Classroom teachers are in contact with all students every week and some children who benefit from extra help have been allocated a teacher aide to also be in contact with them. Please do not ignore these phone calls- we are here to help you.

I have to say that I'm slightly disappointed hearing reports that some St. Dominic's families have not been following the social distancing measures directed from the government. Currently, you are not allowed to visit neighbours to have coffee or have 'play dates.' I will not hesitate to report these people to the Victorian Police if needed. I know this is frustrating but if we want things to get better and get 'back to normal' we all need to do the right thing and stay at home.

Please keep the families and friends of the four Victorian Police officers in your prayers after last week's tragic accident- it is a reminder for us all that life can change in an instant.

Enrolments for Prep in 2021 are now open. Please call our school office to obtain an enrolment form if you want your kinder child to start school next year. Interviews will be arranged at a later date. A child must have turned 5 by April 30th 2021 to be considered eligible.

We are a hope-filled Easter people and Alleluia is our song! Stay safe at home! From Ms Bretag and the staff of St. Dominic's school.
