St. Dominic's School promotes the safety, wellbeing and inclusion of all children.

Principal's News

Welcome back to a new school week.

We are currently investigating updating our school uniform to refresh the style, modernise the colours and give more options for students to wear in both summer and winter. The colours we are considering are navy blue (a colour traditionally attributed to Mary our Mother), green (in recognition of the traditional colours of St Dominic's School, and white which represents purity and innocence. We will be introducing the uniform in 2024 with lots more information coming later this year. There will be a few years of transition whereby existing students can continue to wear their current uniform. If you have any ideas or feedback, please let me know 😊

Hats, Hats, Hats-please ensure your child has their hat at school each day, regardless of the weather. It is government policy that ALL students and staff wear their hat each day when out on the yard.

Year 3 and 5 students are preparing to sit the NAPLAN testing in March. Students' complete tests in Mathematics, Reading, Writing and Conventions of Language (spelling, grammar and punctuation). NAPLAN is only one measure of student achievement and is an indication of student learning. Parents and carers can withdraw their children from their testing if they want. Please let me know if you have any questions.

Alison 😊
